

**SABR Youth Player Age Groups  
2022-2023 Season**

SABR adheres to the US Youth Soccer guidelines for assigning children to our Boys & Girls age groups. Players are placed in their age group based on their year of birth as of the beginning of our season. Children born 2011 - 2018 play in single year age groups. Under 15 and Under 19 Divisions are multi-year age groups. Children born 2008 - 2010 play together in our Under 15 divisions. Children born 2004 - 2007 play together in our Under 19 divisions. All of our age groups are single gender.
